LADIES OF CHARITY NEWS: An enthusiastic group of ladies met on Thursday, July 11, 2019 at Conlin Hall, Pavilion, for a short meeting, followed by light refreshments. We had a fun afternoon of sewing projects of working on 2 adorable flannel baby blankets and 7 ladies working on putting together many walker bags for our nursing home friends.

We all had fun!! Many hands make light work!! Cathy Johnson and Donna Mellander ran 2 sewing machines while 5 ladies prepared the bags for sewing. It was an assembly line production! We could use another sewing machine operator and organizer. **That person could be you!**

Please come to our next meeting on the second Thursday of August (8/8/2019). Mark your calendar and watch next week's bulletin for an update for any new info!

PETER'S PENCE: The second collection this weekend, July 27th and 28th will be for Peter's Pence. Please give as generously as you can.

RETIRED DIOCESAN PRIESTS MEDICAL BENEFITS FUND: The second collection next weekend, August 3rd and 4th will be for the Retired Diocesan Priests Medical Benefits Fund. Please give as generously as you can.

For God did not give
us a spirit of cowardice
but rather of power
and love

Church Humour

A newly-ordained pastor, in the first days of his first call, was attempting to console the widow of an eccentric man who had just died. Standing before the open casket, the nervous young pastor said, "I realize this must be a very hard blow for you, Mrs. Svenson. Just try to remember that what we see before us is only the husk, the shell of your dear husband - the nut has gone to heaven."

- The watermelon (*Citrullus lanatus*) is a large, sweet fruit originally from southern Africa.
- It's related to cantaloupe, zucchini, pumpkin, and cucumber.
- Watermelon is packed with water and nutrients, contains very few calories, and is exceptionally refreshing.
- What's more, it's a good dietary source of both citrulline and lycopene, two powerful plant compounds.
- This juicy melon may have several health benefits, including lower blood pressure, improved insulin sensitivity, and reduced muscle soreness.
- While watermelons are predominantly eaten fresh, they can also be frozen, made into juice, or added to smoothies.

A Time for Thanks

The fundamental motive for our rendering thanks to God is that God has adopted us as God's children. We are children, but we have become slaves, following the voice of the Evil One. No one else delivers us from that effective slavery except Jesus, who assumed our flesh from the Virgin Mary and died on the cross to free us from the slavery of sin and to restore us to our forfeited filial condition. This gift is also a reason for an examination of conscience, for a revision of our personal and communal life, to ask ourselves: what is our lifestyle? Do we live as children or as slaves? Do we live as people baptized in Christ, anointed by the Spirit, delivered and free? Or do we live according to the corrupt, worldly logic, doing what the devil makes us believe is in our interests? In our life journey there is always a tendency to resist liberation; we are afraid of freedom and, paradoxically and somewhat unwittingly, we prefer slavery. Freedom frightens us because it causes us to confront time and to face our responsibility to live it well.
